To whom it may concern,

INLink, a joint venture between BMD Constructions and Fulton Hogan, was awarded the ARTC Construction Contract No. 2400-0012 Construct Only Parkes to Narromine project. To ensure alignment of environmental and sustainability commitments for the delivery of the package, INLink commits to and fully endorses the following Australian Rail Track Corporation (ARTC) policies for the duration of the project (18 February 2019 until 01 October 2020 inclusive):

- The ARTC Inland Rail Environment and Sustainability Policy (0-0000-900-ESS-00-PO-0001_1)
- The ARTC Inland Rail Sustainable Procurement Policy (0-0000-900-PCM-00-PO-0002_0)

These documents guide the sustainability objectives and targets for the Construction of the Parkes to Narromine Inland Rail package and support the achievement of the project's broader sustainability goals.
